## About IFD

The **Islamic Fintech Dialogue (IFD)** is an event that focuses on the convergence of the Islamic finance industry with the financial technology (fintech) industry. Established since 2017, IFD has become a trailblazer for dialogues on this convergence and promises more with enlightening sessions and captivating speakers for the upcoming conference.

This year, we are proud to bring you the **4th Islamic Fintech Dialogue (IFD2021)** under the theme: **Sustainability and Inclusivity through Islamic Fintech.**

Join us and be part of this global initiative in promoting a better understanding of Islamic fintech policies and Shari'ah compliant practices and their harmonisation, including the development and impact of Islamic social financing in the Islamic finance industry and other global trends. Our expert speakers and panellists will share regional and global insights on current trends and development in the Islamic Fintech industry, focusing on areas such as:

- Maqasid al-Shari'ah of Islamic fintech
- Green and Sustainable Financing
- Financial Inclusion
- Islamic Digital Banking
- Islamic Social Financing
- Sustainable Development Goals (SDGs)
